Table of Contents i

Introduction 1

Prerequisites 1
Goals of Course 1
Course Project 2
Course Files 3
Definitions and Conventions 3

Movie Structure: Keyframes, Labels and Callback Functions 5

Movie Structure 5
Demo: Movie Structure 5
Deeper Examination: demo-structure.fla 6
Synchronous Actions (Timeline Actions) 7
Asynchronous Actions (Event-driven Actions) 8
Review of Library Items: Buttons, Movie Clips and Graphic Symbols 8
Basic Actions – Adding callback functions to buttons 9

Using Movie Clips to Store Content 11

The one-frame movie 11
Exercise 1: Set-up Structure of Movie and add Callback Functions 15
Possible Solution to Exercise 1 19

Movie Clip Hierarchy: Using ActionScript for Navigation 21

Relative vs. Absolute Paths 21
Paths in Flash 22
Movie Clip Hierarchy of demo-hierarchy.fla 23

"Path Notation" in Action 29

Demo: Passing information from one movie to another 29
Demo: a more complex example of Path Notation 32
Exercise 2: Make the buttons on the Menu functional using Path Notation 35
Possible Solution to Exercise 2 37

Using "with() notation" 39

Demo: Using "with() notation" 39
Benefits of using the with notation 40
Demo: A More Complicated Example 40
Demo: Movies calling Movies 41
Exercise 3: Using "with() Notation" for One Movie Clip to Call Another 43
Possible Solution to Exercise 3 45

Movie Clip Properties 47

Demo: Make a Movie Clip Invisible....48
Demo: Changing "_x" Property....49
Exercise 4: Change Visibility of Map....51
Possible Solution to Exercise 4....53
Variables and Conditionals....55
What is a Variable?....55
Demo: Using Variables....55
Global Variables....56
Conditional Statements....56
Demo: Use a Conditional to Limit Movement....58
Comparison Operators....58
Demo: Creating a Toggle Button....59
Exercise 5: Create a Toggle Button to hide the Main Content....61
Possible Solution to Exercise 5....63
Add Sound....65
Demo: Simple Background Sound....65
Demo: Adding Background Sound....66
Demo: Add Sounds to Buttons....68
Exercise 6: Adding Sound to Buttons and Background....69
Possible Solution to Exercise 6....71
Appendix A: Resources....73
